

MAQUOKETA MUNICIPAL AIRPORT COMMISSION

MAQUOKETA AIRPORT

SEPTEMBER 11, 2023

Present: Sue Sandberg, Susan Siems

Absent: Jerry Bybee, Paul Hahle, John Williams

City: Josh Boldt, Frank Ellenz, Dan Holm

Guest: John Beranek

We did not have a quorum, so these are just notes.

Since Metro Aviation wants to sign a longer lease, Josh will try to convince the city council to approve approximately \$17,000 to paint the exterior of the corporate hanger.

John noted that Metro Aviation will take possession of both sides of the corporate hanger on the first of November 2023. He explained that Phase 1 will be overflow storage for the whole corporation. Phase 2 will be in the spring of 2024 and regional maintenance will occur then.

Josh asked the commission to consider an annual increase for ALL hangers. Susan Siems asked if there were no improvements, no yearly increase in rent.
