City Manager Summary: The last Public Safety Committee meeting discussed Golf Cart Ordinance in general. Several ordinances of other Cities were distributed for Committee member study. The intent of this discussion is to actually identify what elements of a Golf Cart Ordinance City Staff would be responsible for drafting. Examples from the previous meeting include: prohibition on travel of Main Street and Platt Street, prohibition of Golf Cart travel sunset – sunrise, requirements for City registration and reflective tags, etc.

The goal of this item is to have enough information for City Staff to actually draft a Golf Cart Ordinance for the next meeting.

Committee direction requested.
